Description

This dresser base is in good condition. We have professionally stripped and restored it ready to paint or wax. If you would like this waxed in a lovely antique brown bri wax please email or telephone for a quote. The dresser base would look well in an old or modern property in any unfitted kitchen amongst similar antique pine furniture. It would look great in the corner of a living room with a flat screen TV on etc. It would also look great in a hallway. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There is one large door with one panel to the bottom and there is a moulding around the edge. There are fluted columns and carved corbels to the sides. There is a key to lock the door. There are two small drawers over one larger drawer. The drawers have their original ceramic handles, dovetail joints and are pine lined. The top is in good condition with a slight bull nosed edge. The height is 91cm, the width is 112cm and the depth is 62cm.
