Sold

Item Reference: SA1179511

Date of manufacture: 1880

Dimensions

Height = 102 cm (40.2")

Width = 125 cm (49.2")

Depth = 29 cm (11.4")

Description

This fine pair of open walnut bookcases, have been made, to not only house a substantial number of varying sized books on their adjustable shelves, but to also showcase the natural beauty and warmth of figured walnut, which has been further enhanced after being professionally restored. Sourced from a private client in Surrey, these attractive bookcases are available as a pair or singularly, as we are conscious of the lack of space in many contemporary homes. Whether you purchase one, or both, these bookcases will enrich a period or contemporary interior.
