Description

A superb Art Deco figured walnut dressing table. This was made in England, it dates from the 1930's. The quality is outstanding, this has a stylish and practical design. The base has lots of storage space with each side containing two drawers, a deep cabinet and also a narrow cabinet. There is a removable glass shelf, the side mirrors can be adjusted and locked into place. We have had this stripped and re-polished to a very high standard, the condition is superb for its age. There is just some incredibly minor historical wear remaining here and there beneath the polish. Width – 132 cm , 52 inches Depth – 51 cm , 20 inches Height – 164 cm , 64.5 inches
