Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely sky blue paint and rubbed over the edges giving it a stunning appearance. The wardrobe would look well in an old or modern property amongst similar painted furniture for storage. It would also look great in a child's bedroom for storage of clothes. The wardrobe stands on bracket back feet and round turned front bun feet supporting the main section. There are two large doors. The doors have one panel with a moulding around the edge and stand on original Victorian pin hinges. Behind the doors there is a hanging rail for storage. The drop from the hanging rail to the bottom of the wardrobe is 124cm. There is a key that locks the doors. The top has a standard graduated cornice that is angled to the corners. The sides are panelled. The height is 158cm, the width is 118cm and the depth is 53cm. The internal depth is 45cm.
