Description

A Small Antique Burr Walnut Chest of Drawers – Georgian Style Item Code: 1377 A very attractive small antique burr walnut chest of drawers in the Georgian style, offering excellent colour, fine figured veneers and a pleasing compact form. The drawer fronts display beautifully patterned burr walnut with a warm, rich patina, complemented by traditional brass handles and escutcheons in a period design. This chest features four full-width graduated drawers providing useful storage, all set on shaped bracket feet typical of Georgian furniture. Its smaller proportions make it ideal for modern homes where space is limited, working well in bedrooms, living rooms or hallways.
