Description

Here's a nice old pine pew we have for sale. This one measures 75" wide and has a slightly raked (sloped) back, which makes it more comfortable than many traditional pews. It appears to have its original wax finish — likely varnished originally and later waxed. As you can see, it would benefit from a clean and a fresh coat of wax to revive the wood. The back is tidy and clean, so the pew can be placed in the centre of a room where the back is visible. Structurally it's sound — it just needs some cosmetic attention. Price: £250 as it is, or £327 if cleaned and re-waxed. Dimensions: height 34", width 75", depth 16" (approximately 86 cm x 191 cm x 41 cm).
