## Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely white paint giving it a stunning patina. The wardrobe would look well in an old or modern property in a child's bedroom amongst similar antique pine furniture. The wardrobe is in one piece so your stairs need to be straight with no turns and it is heavy so we will need a hand off the van with it into your hallway. The wardrobe stands on bracket back feet and round turned front bun feet supporting the main section. There is one large drawer to the bottom with metal cup handles. There is one large door above standing on original victorian pin hinges. The door has one panel with a moulding around the edge. There is a push and shut shutting mechanism to the door. The top has a standard graduated cornice. Behind the door there is a hanging rail to the top and three shelves that are not fixed so you could take these out or put more in etc. The height is 179cm, the width is 85cm and the depth is 49cm. The internal depth is 43cm.
