Description

This cupboard is in good condition. We have professionally stripped and restored it and then painted it in a lovely teal paint and blue undercoat giving it a stunning patina. The cupboard would look well in an old or modern property on a large landing for storage of linen etc amongst similar antique pine furniture. The wardrobe is in one piece so your stairs need to be straight with no turns and it is heavy so we will need a hand off the van with it into your hallway. The cupboard stands on bracket feet supporting the main section. There is one large drawer to the bottom with a brass cup handle. The drawer has dovetail joints and is pine lined. There is one large door above standing on original victorian pin hinges. The door has two tall thin panels with a moulding around the edge. There is a key that locks the door. The top has a standard graduated cornice that is angled to the corners. Behind the door there are shelves that are not fixed so you could take these out or put more in etc. The height is 181cm, the width is 87cm and the depth is 45cm.
