Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely black paint and rubbed over the edges giving it a stunning patina. The wardrobe would look well in an old or modern property in a child's bedroom or hallway for storage. The wardrobe is in one piece so your stairs need to be straight with no turns and it is heavy so we will need a hand off the van with it into your hallway. The wardrobe stands on bracket back feet and round turned front bun feet supporting the main section. There is one large drawer to the bottom with round turned wooden knobs. The drawer has dovetail joints and is pine lined. There are two large doors that have one panel. There is a key that locks the door. The doors stand on their original victorian pin hinges. The top has a standard graduated cornice. Behind the door there is a hanging rail to the top and there are shelves that are not fixed so you could take these out or put more in etc. The height is 184cm, the width is 109cm and the depth is 54cm.
