Description

Nice Victorian brass standard lamp. This would have been adjustable originally; the piece could be made 30 cm higher if needed. The lamp has a Corinthian column to the top with fine reeding to the base, which then tapers out. The piece has a heavy cast-iron section in the bottom for stability. It stands on brass hairy paw feet. Without the feet it measures 30 cm. This piece comes with a large bayonet bulb holder (B22) and 2 m of cable. This lamp weighs 13 kg sku 3798
