Description

A stunning, fine and impressive antique 4.48 carat sapphire and 4.35 carat diamond, platinum line bracelet; part of our diverse collection of antique bracelets. This stunning, fine and impressive antique bracelet has been crafted in platinum. This antique sapphire bracelet is comprised of thirty pierced decorated articulating links, each ornamented with a feature Old European round cut diamond, pavé set in a square frame. The centre of each link is further ornamented with two pavé set eight cut diamonds, in a vertical linear formation. The diamonds settings are flanked to either side with four channel set square faceted cut sapphires, totalling 4.48ct. This sapphire line bracelet secures with an integrated push fit clasp and safety clasp. This stunning antique sapphire and diamond bracelet has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive bracelet is supplied with an IDGL diamond and gemstone grading report card. Such examples incorporating such high grade diamonds are becoming increasingly difficult to locate; the high graded diamonds indicate the high quality of the piece. The antique ...
