Description

A stunning antique burr walnut dressing table in the Queen Anne style. This was made in England, it dates from around the 1930's. The quality is outstanding, this is extremely well made with lots of lovely features. The burr walnut grain patterns are gorgeous, this has beautiful carving at the top edges and a cross banded top. There is lots of storage space, the drawers have beautiful pierced brass handles. The mirrors are bevelled and the side mirrors are adjustable. We have had this recently stripped and re-polished, it is in excellent condition for its age, with just some minor historical wear beneath the polish here and there, and some spotting to the top edge of the central mirror.
