Description

Antique pair of French brass glazed hall lanterns, circa 1900 in date. The hexagonal pair of lanterns each feature six rectangular glazed sides, set within a brass frame supported by six scrolling brackets from a ceiling mount. The lanterns each contain three lights, which are supported by a brass central column. Add a classical element to your home with these elegant lanterns. Provenance: Denton Hall, Ilkley See Photo Condition: In excellent condition, please see photos for confirmation.
