Description

A Newly Refurbished 1940s Type 75 Anglepoise Industrial Floor Lamp with Trolley Base, with new wiring and PAT test. A superbly stylish, original mid century industrial floor lamp circa 1940-50s, by sir Kenneth Grange. This excellent design industrial lamp operates on a cast iron trolley base with original wheels, the lamp has all original components and fully adjustable, newly refurbished in excellent working and operating condition with new brown braided cable, PAT test, bulb housing and plug. Makers stamp to column. A superbly stylish mid 20th century industrial lamp of excellent design, fully working and both practical and considerably decorative, function and form. An interior design lamp that can enhance a classic or contemporary space, home or business. The black lamp is hinged at 3 joints plus the fully adjustable and rotating lamp shade. The lamp is newly wired with brown braided fabric cable, new plug and new PAT test. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available. We operate a weekly delivery service into London and surrounding areas of M25 for only £40 plus any relevant congesti...
