Description

For your consideration is this fabulous Anglepoise lamp by Herbert Terry, England. Originally these lamps had a painted finished , this example has been fully stripped down re-chromed and re-wired. In perfect working order this lamp is a design classic. Weighted base means this lamp is deceptively heavy. The lamp can be placed to many angles, the hood is also rotational. Very attractive stepped base. Condition is very good with minimal signs of age, just the odd blemish if you go searching. For international customers we can provide an adaptor plug so you can use the lamp without having to re-wire. Height when fully extended is 92 cm SIZE:-14" and 12" long arms , 6" x 6" base , 5.75" wide shade Offered with FREE UK mainland delivery
