Description

This dresser is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in a victorian terraced kitchen in an alcove. The dresser stands on square back legs and round turned front bun feet supporting the main section. There are two large doors that are fielded and they are on their original metal victorian pin hinges. Behind the doors there is a shelf for storage. There is a key that locks the doors. There are two drawers above. They are pine lined, have dovetail joints and have ceramic handles. The top section sits neatly upon the base and is slightly set back. There is a large open section. There are two glazed doors above on metal pin hinges. There is an original key to lock these doors. There are two shelves behind the doors for storage. The top section is adjustable and the top has a standard graduated cornice. The height is 196cm, the width is 101cm and the depth is 53cm.
