Description

An excellent set of 5 Georgian Decanter labels. Including a rare White Wine label. In very good condition retaining some slight patina but can also be highly polished quite easily. Can do this if preferred, its all about personal choice. A nice rounded shape to the rectangular label with fine decoration to edges and corners making these a typically well crafted set of the 18th century era. Strong chains to support labels as well. Label size is 5cm x 1.7cm Chain opened out is about 5.5 cm diameter
