Description

A very nice quality George III sterling silver goblet or trophy. The bowl has been embossed with scrolls and floral decorations. There are three cartouches on the body but one has a later inscription dated 1851 as shown. Where the bottom of the bowl is attached to the stem there is an old repair as shown. Standing on a circular floral and beaded stepped foot. Maker: Thomas James, London. Date: 1809 Weight: 300g

Internal Ref: TC-P71362
