Description

This wardrobe is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. This is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. It is very heavy and I will require a hand off the van with it into your hallway. The wardrobe would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in a hallway. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There is one drawer to the bottom. The drawer has a brass drop handle, is pine lined and has dovetail joints. There are two large doors above. The doors have one panel with a moulding around the edge and lovely square corners to the top. There is a dummy type drawer moulding to the top. Behind the doors there is a shelf and hanging rail for storage. There is a key that locks the doors. The top has an art deco cornice. The height is 176cm, the width is 103cm and the depth is 51cm. The internal depth is 42cm.
