Description

A smart and very well made antique military campaign style mahogany sideboard / cabinet. This was made in England, it dates from around the 1930's. The quality is superb, this is a great size and is a very practical item. It is perfect for use as a low sideboard or tv cabinet. The front has a bank of drawers on one side, and a two door cabinet on the other. The mahogany has a lovely colour tone and patina, offset nicely by the brass hardware. We have had this re-polished, it is in excellent condition for its age. Width – 48 inches , 122 cm Depth – 15.5 inches , 39 cm Height – 27 inches , 68 cm
