Description

This dresser base is in good condition. We have professionally stripped and restored it and then painted it in a lovely lime green / yellow paint and then rubbed over the edges giving it a stunning patina. The dresser base would look well in an old or modern property in any unfitted kitchen amongst similar antique pine furniture. It would look great in a black fitted kitchen as the colour would contrast beautifully. The dresser base stands on bracket back feet and round turned front bun supporting the main section. There are two large doors with one panel. There is a key to lock the door. Behind the door there is a shelf for storage. Above the doors there are three drawers with round brass handles and the top is in good condition with a rounded edge. Please buy with confidence this is a great piece of furniture! The height is 93cm, the width is 140cm and the depth is 56cm.
