Description

This is a spectacular example of a ladies diamond cocktail watch made by the crown jewellers Asprey of London. It has a platinum case and the most exquisite European old cut diamonds which are deeper than modern day cut and are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing. The total carat weight is approximately 4cts. It also has diamonds to the collars. The dial is perfect having just been professionally restored. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine, this is one of the best quality diamond watches we have come across. The total diamond weight is approximately 4 carats with 16 large diamonds around the dial and more diamonds to the articulated shoulders, they are all bright clear and well matched with lots of sparkle. It comes with its original solid 9ct white gold rope bracelet with diamond accent collars it will fit a wrist size from 15cm 6 inches to 17cm 6 3/4 inches. Unfortunately the original 1930s movement was beyond restoration so we have replaced it with a fully serviced top class Rolex calibre 1401 movement from the 1960s, a mov...
