Description

This cabinet is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax giving it a stunning patina please email or telephone for a quote if you are interested. The cabinet would look well in an old or modern property in any room for storage of a collection etc. This cabinet is in one piece and very heavy so I will require a hand off the van with it into your hallway. The cabinet stands on square legs supporting the main section. There is one large drawer to the bottom. The drawer has metal drop handles and is pine lined. There are two doors. Each door has a small square wooden bottom panel and glazed top panel. There is a key to lock the doors. Behind the doors there are three shelves for storage. The shelves are not fixed so more could be placed in if required. The top has a standard graduated cornice. There are carved corbels to the top. The height is 190cm, the width is 125cm and the depth is 64cm.
