Description

A wonderful antique Victorian mahogany bench, made in England and dating from around the 1860-1880 period. It is of outstanding quality, with beautifully turned bobbin legs and turned bobbin bolsters on the edge of the seat. It is a great size, perfect for use as an entry way bench, at the foot of a bed or even as a dining bench. The mahogany has a gorgeous colour tone and patina, it is nicely finished front and back, so can be used as a free standing item. We have had this recently re-polished, the condition is excellent for its age, with some minor bumps and marks remaining beneath the polish here and there. This has a great overall patina. Width – 45 inches , 114 cm Depth – 10 inches , 26 cm Height – 18.5 inches , 47 cm Seat height – 16 inches , 41 cm
