This exceptional, fine and impressive antique chain has been crafted in 18ct yellow gold. The gold longuard chain necklace consists of plain trace chain links. This exceptional and tactile chain is hallmarked to the ring loop terminal with the French 18ct gold mark (eagle's head) and has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold. By virtue of its length, this antique gold chain may be worn as a two strand or three strand necklace via the plain swivel clasp and spring-loaded bolt ring fastening; alternatively the chain may be wrapped multiple times around the wrist to be worn as a bracelet. This French early 20th century 18ct gold longuard chain makes an exceptional gift for birthdays, anniversaries or milestone celebrations, especially for those who appreciate antique craftsmanship. Its generous length and versatile design make it perfect for layering with other necklaces or wearing alone as a statement piece, adding effortless sophistication to both modern and antique-inspired look...
