Description

1930's Gimson Design Antique Walnut Dining Table A high quality solid walnut dining table that is a wonderful shape, a Gimson design dating to the late thirties. The large walnut dining table table top is one a shapely table base that has U shaped end supports that finish on sledge feet, the ends are then connected by a flat stretcher. All pegged construction with lovely exposed mortice decorations. In excellent, clean and original condition. Whilst a design made for dining, this Gimson design table would also make an ideal desk.
