Description

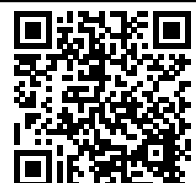

Victorian Walnut Button-Back Armchair Item Code: S27-1110 A charming Victorian walnut armchair featuring an elegantly shaped frame, deep button-back upholstery and beautifully carved cabriole legs. The walnut shows a warm antique patina, and the chair retains excellent period character. There are historic signs of woodworm, but this has been fully treated and is no longer active. The upholstery is intact with no rips or tears, though the fabric shows age-related soiling and wear, so re-covering would enhance its overall presentation. Key Features * Authentic Victorian walnut armchair * Deep button-back upholstered backrest * Scroll arms and carved cabriole legs * Warm, original period patina * Historic woodworm present but fully treated and not active * Upholstery structurally sound with no tears; fabric displays age-related soiling and wear * An excellent candidate for re-covering or full restoration * Decorative and comfortable accent piece Dimensions * Width: 67 cm * Depth: 65 cm * Height: 91 cm
