Description

This is a large and handsome pine dresser base or sideboard dating from around the 1930s. It has been finished in Briwax Honey, giving it a light, warm tone that highlights the natural grain of the wood. The piece features four cupboard doors and two central drawers, offering generous storage space. Each cupboard section contains an internal shelf, providing ample room for tableware, linens, or other household items. It's in very nice condition throughout, with the character and quality typical of furniture from this period. Please note: this piece does not dismantle for delivery. At 83" wide, it's substantial, so please double-check access — especially if you have tight corners, stairways, or narrow doorways. Careful handling will be required when moving it. Price: £697
