Description

An outstanding large antique mahogany console table, made in England and dating from around the 1930's period. It is of the utmost quality, crafted from absolutely gorgeous mahogany. It is a large and impressive size, with a breakfront design to the front. There are carved rosettes at the corners and grooved carving around the whole top edge. The legs are bold and sturdy with grooved sides and platform feet. We have had this stripped and re-polished, the condition is excellent for its age, with just some minor historical wear and small marks remaining here and there. This has a gorgeous colour tone and patina. Width – 66 inches , 167 cm Depth – 16 inches , 41 cm Height – 35 inches , 89 cm
