Description

Dimensions:W: 63cm (24.8")H: 93cm (36.6") Elegant very early 19th century French gilt rectangular Napoleon III mirror. It dates from around 1800 and has its beautiful real gilt (gold leaf) on gesso frame with pretty ornate detail. It has its lovely original mercury glass with beautiful even foxing (speckles) and no scratches. It has all its original backboards. It would look just as lovely hung landscape as portrait.
