**** FREE DELIVERY TO MOST OF THE U.K. **** Late Victorian Cabinet - Wall Mount or Freestand - c1900
Charming late Victorian twin door store cabinet in pine. This example benefits from twin doors which open to reveal a single shelf to the interior. The cabinet is designed to be either free-standing or wall mounted. There are fixing lugs to each side for the purposes of mounting. Possibly an 'Apprentice' piece the cabinet offers a variety of uses and, with the added benefit of a storage/display shelf area to the top, the piece will adapt to any room of the house. Overall a super little piece of furniture which looks attractive and functions nicely. The piece is clean and well presented.
