Description

An exceptional pair of vintage cufflinks from Cartier London, with date marks indicating 1960. The finish is typical of the Brutalist modern style that Cartier was known for in the 1950s and '60s, with an irregular, cratered, almost molten finish. Pieces from Cartier London are scarce and therefore highly collectable. Every component of these cufflinks is hallmarked; each of the four faces, the linking posts, and the toggles that connect everything together, with two of the faces signed JC, and the other two signed 'Cartier'. A serial number (faint) is below the hallmarks. Dated: 1960. Measurements: Each face is 14.25 x 18.8mm. Weight: 20.10 grams. Metal: 18k gold. Fully hallmarked. Item # 113113S310

Internal Ref: 113113S310
