Description

This is a lovely Rosewood side table in beautiful condition. There is a drawer on one side and there are two dropping leaves. These can be used up or down as the pictures show. Graining in the rosewood is really good as is the finish. The well detailed legs are connected with a turned stretcher giving stability. If an occasional or side table like this is something you are looking for, we suggest it would be hard to find a better example. Width shown below is with leaves closed
