Description

You are viewing a pair of antique gilt and bronze urns in the manner of Thomas Hope. The look is high Regency with a dazzling colour interplay between the black and gilt. They are classic amphora urns - Greek Revival - with various figures in relief. Each piece has six branches to the candelabras. Two feet tall - 60 CM - so good size on these. The casting to the gilt is very detailed and ornate with a great patina. We bought these from a private residence in London's Mayfair. Offered in great shape ready for home use right away. We ship to every corner of the planet - please get in touch for a shipping quote. Dimensions in inches (CM): Width x Depth x Height 11 (28) x 11 (28) x 24 (60) C O O
