Description

A beautiful pair of antique Edwardian lacquered walnut and cane armchairs. They were made in England, they date from around the 1900-1910 period. The quality is superb, they have a gorgeous design in the Queen Anne style. The solid walnut frames have caned backs with lacquered decorations at the top of the back rests. They have shepherds crook arms, and stand on cabriole legs with carving at the knees and feet. We have had the frames re-polished and the seats have been re-upholstered in a cream cotton fabric. The condition is excellent for their age, with just some minor historical wear remaining here and there beneath the polish. Width – 24 inches , 61 cm Depth – 21 inches , 54 cm Height – 38 inches , 97 cm Seat height – 18 inches , 46 cm
