Description

Edwards & Roberts Antique Mahogany Pedestal Desk with Leather Top Elevate your workspace with this classic antique mahogany pedestal desk, designed to bring both elegance and functionality to any office or study. Featuring a rich, warm finish and a traditional silhouette, this desk embodies timeless craftsmanship. A beautifully aged leather top with gold tooling detailing provides a refined writing area. The left pedestal door opens to reveal two interior shelves, ideal for larger items or hidden storage, the right pedestal offers a stack of drawers for organized access to office essentials. There are three drawers to the top, including a wide central drawer for writing tools and documents. Original Turned Wooden Knobs and brass keyholes add charm and authenticity. Perfect for anyone seeking a functional vintage statement piece, this desk makes a striking addition to home offices, professional settings, or collectors of fine antique furniture.
