Description

This lovely group of 8 original engravings were published between 1811 and 1820. "Evening Dress," "Tyrolese Dress," "Carriage Dress," "Full Dress," "Morning Dress," "Ball Dress," "Walking Dress," "Walking Dress". Each measures about 9" x 5" and is in a beautiful hand finished wash/line mount and simple gilt frame giving an overall size of about 16"x 12" for each picture. They were framed and mounted about 30 years ago so have some minor imperfections to the frames. There is also a little foxing and staining to some of the engravings, however this does not detract from the overall effect of this wonderful group of antique prints.
