Description

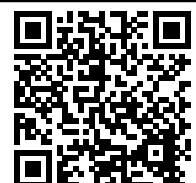

A very impressive and very wide antique Georgian style inlaid mahogany console table, made in England and dating from around the 1930's. This is of beautiful quality and is extremely well made. It is a very useful size, slim from front to back and it is very wide, with useful storage space in the three drawers. The drawers are solid oak lined, with brass ring pull handles. It stands on beautifully turned and fluted legs, this has a nicely cross banded top which is serpentine shaped. We have recently had this stripped and re-polished, the condition is excellent for its age with just some extremely minor wear here and there. Width – 72 inches , 183 cm Depth – 16 inches , 40 cm Height – 33.5 inches , 85 cm
