Description

A pair of French small sized bellows with original leather and brass stud work. These fireside bellows are decorated with a traditional chinoiserie scene of a figure in a garden to the front and simple gold line decoration to the reverse. The bellows are in good working order. The small size and Chinoiserie decoration make these French bellows particularly attractive. A great item to enhance the fireside or display as an unusual decoration. c. 1890 Code: D 1096 Length: 13.25" 33.5 cm Width: 5" 12.5 cm Depth: 1.5" 4 cm
