Description

A wonderful antique mahogany occasional side table. This was made in England, it dates from around the 1890-1910 period, with an Arts and Crafts element of design. It is of very fine quality, the top has a beautiful shape with lovely sweeping serpentine shaped edges. The legs are elegant yet sturdy, there is beautiful pierced fretwork at the top angles where they meet the top edge. We have had this recently re-polished, the condition is excellent for its age. There is just some extremely minor wear and patina remaining here and there beneath the polish. Width - 30 inches , 76 cm Depth - 24 inches , 60 cm Height - 28 inches , 71 cm
