Description

Size: 7ft 3in x 5ft 0in (222 x 152cm). Antique Caucasian Kazak rug with three 'Memlinc guls' in octagons on a green ground. Circa 1880. A superb Kazak rug with a single vertical column of three 'Memlinc guls' on a scarce green ground; this is a rug of outstanding colour and design. The three guls stand out against the warm green inner field which is surrounded by a madder red field filled with tribal devices. The main border is the classic white ground with 'oak leaf' design. The rug has wonderful soft wool and fully saturated dyes. This is a really outstanding example of type with superb colour. The rug is in excellent condition with slight even wear with good long pile with a soft floppy handle. Hand washed and ready for use or display. The rug is suitable for normal domestic use.
