Description

A fine and impressive antique 18 carat yellow gold watch chain; part of our diverse collection of antique chains. This fine and impressive antique watch chain has been crafted in 18ct yellow gold. The gold chain consists of rounded curb chain links. The yellow gold chain is fitted to one side with a swivel clasp and a ring loop to the opposing end. The swivel clasp and chain links is hallmarked to the swivel clasp with the 18ct gold mark (18) and the chain has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 18 carat gold; such pieces are often crafted in 9ct gold, this higher hallmarked fineness indicates the exceptional quality of the piece. By virtue of its length, this impressive and versatile yellow gold chain may be utilised as a watch or fob chain, in addition to being worn as a chain necklace or alternatively wrapped around the wrist to be worn as a chain bracelet. Such antique 18ct gold watch chains are becoming increasingly difficult to locate; at a weight of 29.66 grams the superior gauge of gold represents a significant value and indicates the further high quality of the piece. This 18ct gold watch chain i...
