Description

A stunning and very impressive pair of large antique Regency style mahogany armchairs. They were made in England, we would date them to around the 1920's. They are of very generous proportions and are beautifully designed, the quality is outstanding. The solid mahogany frames have gorgeous carving and gold embellishment on the back rests. They sit on wide splayed sabre shaped legs with brass hairy paw feet caps, they have feather filled cushions. We have had the frames beautifully polished, they have been re-upholstered in a cream cotton fabric. The condition is excellent for their age.
