Description

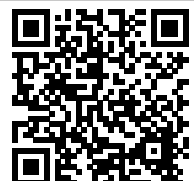

A stylish and unusual Art Deco figured walnut mirrored coffee table. This was made in England, it dates from the 1930's. It is of superb quality and has a lovely design, with a mirrored centre and drawers that pull out from either side. It stands on a pedestal base and looks amazing from all angles. We have had this stripped and re-polished to a very high standard, the mirrored glass has also been replaced so is like new. The condition is excellent throughout.
