Description

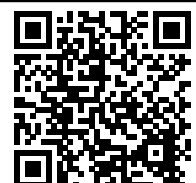

A very decorative pair of French bellows with original red leather and brass stud work. These fireside bellows are decorated to the front with a delightful Chinoiserie scene of musicians playing in a traditional garden landscape. The reverse has a simple gold line on a black ground. The bellows are in good working order. The very small size, charming decoration and distinctive red leather make these French bellows particularly attractive. A great item to enhance the fireside or display as an unusual feature. c. 1890 Code: D1098 Length: 12" 30.5 cm Width: 4" 10 cm Depth: 1.5" 4 cm
