**Date of manufacture: 18th Century**

Dimensions

Height = 3.8 cm (1.5")

Width = 17.1 cm (6.7")

Depth = 17.1 cm (6.7")

## Description

A fine example of a late 18thc Sycamore hand held skimmer / small dairy bowl straight out of the "country" kitchen...in very nice "used" condition....it has gained a very good colour....on the underneath it has tight concentric ring turning, which I often find on French domestic items of this period, so I think this is also French. C1770-90.

Internal Ref: MS 8328
