Description

Large Regency Style Oval Gilt Wall Mirror, Segmented Design, c. 1880 An elegant oval gilt mirror retaining its original glass panels. The central panel features a bevelled edge & is framed by eight smaller segmented panels arranged around the perimeter. The glass shows only light foxing, adding character without detracting from clarity. The gilt plasterwork is finely detailed, enhancing the mirror's decorative presence. The mirror is presented in very good condition, ready to be hung in either portrait or landscape orientation, with fittings already in place for both.
