Description

Pair of Late 30's Mouseman Adzed Oak Single Beds. A superb, very original pair of solid adzed oak single beds by Mousenam of Kilburn Yorkshire. Beautifully hand made, very high quality with thick English oak used and both are a fabulous, original colour. They each have a well panelled head board with matching lower foot boards. They all have decorative moulded tops with a signature Mouseman carved mouse to each bed foot. Sometimes pairs only have one mouse, as it was more expensive to have another mouse carved on the order. This is a wonderful pair of 1930's Mouseman standard UK single size oak beds in such great condition and complete with the original Vono bed irons. We can have made bespoke wooden mattress bases made, please enquire. Dimensions Height: 108cm (42.86") Width: 91cm (36.11") Depth: 191cm (75.79") Additional Info The foot boards are 67cm high.
