Depth = 16 cm (6.3")

Description

This wonderful pair of antique French fruitwood benches ranks among the nicest we have offered. Their simply carved aprons give them an understated elegance, while decades of gentle aging have endowed the fruitwood with a wonderfully deep, warm colour. The shaped feet lend just the right amount of charm and character, making them beautifully versatile pieces for both classic and contemporary interiors. Solid, sturdy, and completely free from wobble, they are as practical as they are handsome.
