Description

A rare opportunity to acquire such high styled and totally original Art Deco bedside tables. Originating from Italy and dating to the early 1930s they fill both the highly desired shape of Art Deco at its best and sort after the luscious veneers which create the exotic. You will be hard pushed to find better examples on the market at the moment. We've had a handful of these cabinets over the last few years, they becoming increasingly hard to source. A mix of veneers to delight the eye are heavily figured Italian Walnut, Macasar. Lots of internal storage space. Both cabinets have been through our workshops and are fully restored and so come to you in showroom condition. These cabinets definitely won't disappoint they are so attractive and will be appreciated by those with a discerning eye for style, craftsmanship and design. FREE UK DELIVERY
